A screenshot of the LogicTenacity dashboard. At the top, there is a navigation bar with links for "Dashboard", "Projects", and "Members", along with user profile and notification icons. The main area is divided into two main sections: "PROJECTS" and "TASKS".  
**PROJECTS Section:**  
- Search projects: "Perin projekat"  
- Filter by status: "All Projects"  
- Filter by priority: "All Priorities"  
- Table headers: PROJECT, START DATE, DUE DATE, PRIORITY, STATUS, ACTIONS  
- Data row: Perin projekat, 23-05-2024, 28-05-2024, Medium, In Preparation, ...  
- Pagination: Items per page: 5, 1 - 1 of 1  
- Summary boxes: Total tasks (0), New tasks (0), Started tasks (0), Completed tasks (0)  
**TASKS Section:**  
- Search tasks: "Filter by priority: All Priorities"  
- Table headers: TASK, START DATE, DUE DATE, PRIORITY, STATUS, ACTIONS  
- Data row: (empty)  
- Pagination: Items per page: 5, 0 of 0

1. Istim polju možete pristupiti klikom na Dashboard dugme u navbaru.

The screenshot shows a project management application interface. At the top, there is a navigation bar with three items: "Dashboard" (highlighted with a red box), "Projects", and "Members". On the far right of the navigation bar are icons for notifications and user profile. Below the navigation bar, there are two main sections. The first section, titled "PROJECT", displays a single item: "Perin projekat" with a start date of "23-05-2024", due date of "28-05-2024", priority "Medium", and status "In Preparation". It includes a dropdown for filtering by status ("All Projects") and priority ("All Priorities"), and a page size selector set to "5" with "1 - 1 of 1" items. Below this table are four summary boxes: "Total tasks 0", "New tasks 0", "Started tasks 0", and "Completed tasks 0". The second section, titled "TASK", is currently empty, showing "0 of 0" items. It has a search bar, a filter dropdown for priority ("All Priorities"), and a page size selector set to "5" with "0 of 0" items.

2. Klikom na naredno dugme “Projects” u navbaru, otvara se pregled projekata.

This screenshot is identical to the one above, showing the project management interface. The difference is that the "Projects" tab in the navigation bar is now highlighted with a red box, indicating it is the active section. The rest of the interface remains the same, displaying the single project entry and the empty task list.

The screenshot shows a web-based project management interface. At the top, there is a navigation bar with links for Dashboard, Projects, and Members. On the far right of the header is a user profile icon. Below the header, there is a search bar labeled "Search Q" and two filter dropdowns: "Filter by status" set to "All Statuses" and "Filter by priority" set to "All Priorities". A blue button labeled "Add Project" is located in the top right corner of the main content area. The main content area displays a table with one row of data. The columns are labeled: PROJECT, START DATE, DUE DATE, STATUS, PRIORITY, PROJECT MANAGER, and ACTIONS. The data row shows: Perin projekat, 23-05-2024, 28-05-2024, In Preparation, Medium, Pera Peric, and a three-line menu icon. At the bottom of the table, there is a pagination section with "Items per page:" dropdown set to 5, "1 – 1 of 1", and navigation arrows.

4. Klikom na dugme za notifikacije u obliku zvonceta, dostupan je pregleda notifikacija. Broj u uglu označava kolicinu prispelih notifikacija.

The screenshot shows a project management interface. At the top, there are navigation links for Dashboard, Projects, and Members. On the far right, there is a user icon with a red notification badge containing the number '1'. Below the navigation, there are two main sections: 'PROJECT' and 'TASK'. The 'PROJECT' section shows one item: 'Perin projekat' with a start date of 23-05-2024, due date of 28-05-2024, priority Medium, and status In Preparation. The 'TASK' section shows one item: 'Task1' with a start date of 24-05-2024, due date of 30-05-2024, priority Medium, and status New. Below these sections, there are four summary boxes: 'Total tasks' (1), 'New tasks' (1), 'Started tasks' (0), and 'Completed tasks' (0). The bottom of the page includes search fields for projects and tasks, and dropdown filters for status and priority.

5. Klikom na dugme "X" otklanjate datu notifikaciju, dok klikom na dugme "CLEAR" brišete sve notifikacije.

This screenshot is identical to the first one, showing the same project and task details. However, a notification overlay has appeared in the top right corner. The overlay is divided into 'TODAY' and 'EARLIER' sections. The 'TODAY' section contains the message 'You are added to new task!' followed by a list item '• 24-05-2024 Your new task is Task1'. There is a 'CLEAR' button at the bottom right of the overlay. The rest of the interface remains the same, including the project and task tables, summary boxes, and search/filter fields.

7. Poslednji u navbaru je dropdown koji prikazuje:

- Ime i rolu korisnika
- "View profile" dugme za pregled profila
- "Edit profile" dugme za editovanje profila
- "Themes" za promenu tema
- Log out

The screenshot shows a dashboard interface with a top navigation bar containing 'Dashboard', 'Projects', and 'Members'. Below the navigation is a search bar for projects and filters for status ('All Projects') and priority ('All Priorities'). A table displays a single project: 'Perin projekat' with start date 23-05-2024, due date 28-05-2024, priority Medium, and status In Preparation. Below the project table are four summary boxes: 'Total tasks 1', 'New tasks 1', 'Started tasks 0', and 'Completed tasks 0'. Another search bar for tasks and a priority filter ('All Priorities') are present. A table below shows a single task: 'Task1' with start date 24-05-2024, due date 30-05-2024, priority Medium, and status New. A red box highlights the user profile menu on the right, which includes options like 'View Profile', 'Edit Profile', 'Themes', and 'Logout'. The bottom of the page features a footer with links to 'About', 'Help', 'Contact', and 'Privacy'.

Što se tiče samog Dashboarda prikazuje pregled projekata i taskova.

The screenshot shows the same dashboard interface as the first one, but with two specific sections highlighted by red boxes: 'Pregled projekata' (Project Overview) covering the top project section and 'Pregled taskova' (Task Overview) covering the bottom task section. The rest of the interface, including the user profile menu, is identical to the first screenshot.

8. Pretraga je omogućena i za projekte i za taskove.

The screenshot shows a project management interface. At the top, there are navigation links for Dashboard, Projects, and Members, along with a notification bell icon with a red '1' and a user profile icon. Below the navigation is a search bar labeled 'Search projects' with a magnifying glass icon, which is highlighted with a red box. To the right of the search bar are two dropdown filters: 'Filter by status' set to 'All Projects' and 'Filter by priority' set to 'All Priorities'. The main area displays a table for 'PROJECTS' with columns: PROJECT, START DATE, DUE DATE, PRIORITY, STATUS, and ACTIONS. One row is shown: 'Perin projekat' with start date 23-05-2024, due date 28-05-2024, priority Medium, status In Preparation, and actions ...'. Below this table are four summary boxes: 'Total tasks' (1), 'New tasks' (1), 'Started tasks' (0), and 'Completed tasks' (0). Another search bar 'Search tasks' with a magnifying glass icon is highlighted with a red box. Below it is another set of filters: 'Filter by status' set to 'All Priorities' and 'Filter by priority' set to 'All Priorities'. A second table for 'TASKS' follows, with one row: 'Task1' with start date 24-05-2024, due date 30-05-2024, priority Medium, status New, and actions ...'. The bottom of the page includes pagination controls 'Items per page: 5' and '1 - 1 of 1'.

9. Za projekte je dostupno filtriranje projekata u vidu drop down liste:

- All projects
- In preparation
- In progress
- Closed

This screenshot is similar to the previous one but focuses on the 'Filter by status' dropdown for projects. The dropdown menu is open, showing four options: 'All Projects' (which is checked and highlighted with a blue background), 'In Preparation', 'In Progress', and 'Closed'. The rest of the interface remains the same, including the search bars, summary boxes, and task table.

10. Filtriranje po prioritetu imaju i projekti i taskovi, dostupne stavke drop down liste su:

- All Priorities
- Low
- Medium

- High

The screenshot shows a project management dashboard with two main sections: 'Projects' and 'Tasks'.

**Projects Section:**

- Search projects: Perin projekat
- Filter by status: All Projects
- Filter by priority: All Priorities (dropdown menu open, showing All Priorities, Low, Medium, High)
- Table headers: PROJECT, START DATE, DUE DATE, STATUS, ACTIONS
- Data: Perin projekat, 23-05-2024, 28-05-2024, In Preparation, ...
- Metrics: Total tasks (1), New tasks (1), Started tasks (0), Completed tasks (0)
- Items per page: 5, 1 - 1 of 1

**Tasks Section:**

- Search tasks: Task1
- Filter by priority: All Priorities (dropdown menu open, showing All Priorities, Low, Medium, High)
- Table headers: TASK, START DATE, DUE DATE, PRIORITY, STATUS, ACTIONS
- Data: Task1, 24-05-2024, 30-05-2024, Medium, New, ...
- Items per page: 5, 1 - 1 of 1

## ChatBot

Na svakoj stranici dostupan je Chatbot, klikom na polje Chat with our AI Assistant.

The screenshot shows the same project management dashboard with an additional AI chatbot feature on the right side.

**Project List:**

- Search Projects: test projekat #1
- Filter by status: All Statuses
- Filter by priority: All Priorities
- Table headers: PROJECT, START DATE, DUE DATE, STATUS
- Data: test projekat #1, 09-06-2024, 20-06-2024, In Preparation

**AI Chatbot Sidebar:**

- Header: Chat with our AI Assistant
- Message from You: Hey!
- Message from Logic Tenacity - AI Assistant: Hey! How's it going?
- Input field: Enter your message here\*
- Clear button: Clear

## Promena teme

U gornjem desnom uglu nalazi se dropdown meni, medju cijim stavkama se nalazi opcija themes gde se može odabrati jedna od četiri ponuđene teme.

The screenshot shows a web browser window with a dashboard interface. In the top right corner, there is a user profile icon and a dropdown menu. The dropdown menu is titled "Logic Tenacity" and includes the following items:

- Administrator
- Deep Purple & Amber
- Indigo & Pink
- Pink & Blue Grey
- Purple & Green
- View Profile
- Edit Profile
- Themes
- Logout

The main dashboard area displays two tables: one for projects and one for tasks. The projects table has three rows: "Test projekat", "SPA1", and "Programiranje distribuiranih sistema". The tasks table has three rows: "Soketi", "Servleti", and "Povezane liste". Below the tables are four summary boxes: "Total tasks 3", "New tasks 1", "Started tasks 1", and "Completed tasks 1".

This screenshot shows the same web application dashboard as the previous one, but with a different theme applied. The entire interface has a dark gray background, including the header, tables, and summary boxes. The user profile menu and its items are identical to the first screenshot.

## View Profile

## Izmena informacija o projektu

1. U aplikaciji navigirajte do stranice “Overview” unutar jednog projekta.

The screenshot shows the 'Project Overview' section of a project management application. On the left, there's a sidebar with navigation links: Dashboard, Projects, Members, Overview (selected), Assignees, Tasks, Gantt, Kanban, and Analytics. The main area displays a summary card with a user profile picture of 'Pera Peric' (Project Manager), a calendar icon showing '5 days Days remaining until deadline', and two statistics boxes: '3 Number of assignees' and '3 Number of tasks on project'. Below this is a 'Project details' form with fields for 'Project Name' (Figma projekat), 'Project Deadline' (5/28/2024), 'Project Priority' (Low), 'Project Status' (In Preparation), and 'Project Description' (Uraditi prototip u figmi). A 'Save' button is located at the bottom right of the form.

2. Ako imate permisiju koja vam dopušta da menjate date informacije (možete da kliknete na dugme save), imaćete mogućnost da menjate podatke u formi.

This screenshot is identical to the one above, but the 'Save' button in the 'Project details' form is highlighted with a red box, drawing attention to it as the action to update the project information.

3. Popunjavanje forme za izmenu podataka o projektu. Polja koja treba popuniti uključuju:

- Project name – unesite ime projekta
- Project deadline – datum do kog je potrebno završiti projekat
- Project priority – prioritet projekta
- Project status – u kojoj fazi se projekat nalazi
- Project description – opis projekta

4. Na dnu postoji mogućnost dodavanja fajlova koji su vezani za taj projekat.

The screenshot shows a project management application with a sidebar on the left containing links for Dashboard, Projects, Members, Projekat, Overview, Assignees, Tasks, Gantt, Kanban, and Analytics. The main area is titled 'Projekat' and contains fields for Project Deadline (6/26/2024), Project Priority (Medium), Project Status (In Preparation), and a Project Description box with placeholder text: 'Projekat: A platform for creative collaboration and innovation, where individuals can come together to bring their ideas to life through design, technology, and community engagement.' Below this is a 'Project Files' section with a 'Upload Files' button. At the bottom right is a 'Chat with our AI Assistant' button.

## Dodavanje taska

1. Klikom na dugme "Add task" otvara se forma za dodavanje taskova.

The screenshot shows the 'Project Overview' page for a project named 'Figma projekat'. It displays details like the project manager (Pera Perić), days remaining until deadline (5 days), number of assignees (3), and number of tasks (3). On the right side, there are buttons for 'Close project', 'Manage Assignees', and 'Add tasks to project', with the last one being highlighted by a red box. The left sidebar includes links for Overview, Assignees, Tasks, Gantt, Kanban, and Analytics.

2. Popunjavanje forme za dodavanje taska. Polja koja treba popuniti uključuju:

- Task name – unesite ime taska
- Task deadline – datum do kog je potrebno završiti task
- Task priority – prioritet taska
- Add members – koji zaposleni rade na tasku
- Task leader – zaposleni koji je glavni za taj task

- Task description – opis taska

The screenshot shows a project management application interface. On the left, there's a sidebar with options like Dashboard, Projects, Members, and a user profile. The main area is titled "Project Overview" and shows details for a project named "Projekat". It includes fields for Project Name (Projekat), Project Deadline (6/26/2024), Project Priority (Medium), and Project Status (In Preparation). A note at the bottom states: "Projekat: A platform for creative collaboration and innovation, where individuals can come together." In the center, a modal window titled "Add Task" is open, prompting for Task Name\*, Deadline (MM/DD/YYYY), Priority\*, Add Members\*, Task Leader\*, and Task Description\*. At the bottom of the modal are two buttons: "Generate Description with our AI" (pink) and "Add Task" (blue).

## Upravljanje zaposlenima na projektu

1. Klikom na dugme “Manage Assignees” otvara se forma za upravljanje zaposlenima.

The screenshot shows the 'Project Overview' page for a project named 'Figma projekat'. The top navigation bar includes 'Dashboard', 'Projects', 'Members', and a user icon. On the left, a sidebar lists 'Figma projekat' under 'Project', with options like 'Overview', 'Assignees', 'Tasks', 'Gantt', 'Kanban', and 'Analytics'. The main area displays project details: 'Pera Peric' (Project Manager) with a profile picture, '5 days' remaining until deadline, and 3 assignees. A red box highlights the 'Manage Assignees' button. Other buttons include 'Close project', 'Add tasks to project', and a 'Save' button.

2. Uz odgovarajuće permisije moguće menjati detalje/uklanjane i dodavanje ljudi na projekat

The screenshot shows the 'Project Overview' page for a project named 'Projekat'. The sidebar lists 'Projekat' under 'Project' with the same set of management options. A modal window titled 'Manage Assignees Overview' is open, listing three members: 'Logic Tenacity' (Project Role /, Email: admin@logictenacity.com), 'Pera Peric' (Project Leader, Email: pera@gmail.com), and 'Toma Tomic' (Project Role /, Email: toma@gmail.com). The modal includes a search bar, a table header with columns for Assigned, Avatar, Name, Project Role, and Email, and pagination controls (Items per page: 5, 1 - 3 of 3).

## Upravljanje ulogama na projektu

1. U aplikaciji navigirajte do stranice "Assignees" unutar jednog projekta.

The screenshot shows the 'Project Assignees' section of a web application. On the left sidebar, under 'Figma projekat', there are links for Overview, Assignees, Tasks, Gantt, Kanban, and Analytics. The main area has a title 'Project Assignees' and a search bar. There are two filter dropdowns: 'Filter by role' set to 'All Project Roles' and 'Filter by statuses' set to 'All Statuses'. At the top right are buttons for 'Manage Project Roles' and 'Manage Assignees'. Below is a table with three rows:

AVATAR	NAME	PROJECT ROLE	EMAIL	STATUS	DATE ADDED	ACTIONS
	Pera Peric	Project Leader	pera@gmail.com	Online	01-01-1970	
	Toma Tomic	Project Assignee	toma@gmail.com	Offline	01-01-1970	
	Alekса Bozinovic	Project Guest	aleksabozinovic25e@gmail.com	Offline	01-01-1970	

At the bottom right of the table are buttons for 'Items per page' (set to 5) and '1 - 3 of 3'.

2. Klikom na dugme "Manage Project Roles" otvara se forma za upravljanje ulogama.

This screenshot is identical to the one above, but the 'Manage Project Roles' button at the top right is highlighted with a red box.

3. U samoj formi postoje opcije sa pregled 3 podrazumevane uloge, kao i dodavanje novih.

The screenshot shows the 'Project Assignees' section of a project management application. A modal window titled 'Editing Project Leader [LOCKED]' is open, showing the 'General' settings for the 'Project Leader' role. The role name is set to 'Project Leader'. Below this, a list of permissions is displayed, all of which are checked:

- Change project role
- Delete project
- Add member to project
- Remove member from project
- Create task

At the bottom of the modal are 'Delete' and 'Update' buttons. In the background, there is a table listing three members with their names and dates added: Pera Peric (01-01-1970), Toma Tomic (01-01-1970), and Alekza Bozinovic (01-01-1970). There are also 'Manage Project Roles' and 'Manage Assignees' buttons at the top right of the modal.

## Promena statusa taska

- U aplikaciji navigirajte do stranice "Kanban" unutar jednog projekta.

The screenshot shows the 'Kanban' board for the project 'test projektat'. The board has three columns: 'New', 'In Progress', and 'Completed'. The 'New' column contains one task: 'je l radi ovo' (Task category: Uncategorized, Task category: High, Due: 19-06-2024). The 'In Progress' column also contains one task: 'test' (Task category: Uncategorized, Task category: High, Due: 10-06-2024). The 'Completed' column has no tasks. At the bottom of the board, there is a button for 'Chat with our AI Assistant'.

- Prevlačenjem taska iz jedne kolone u drugu, menja se njegov status.

The screenshot shows a Kanban board interface. On the left, there's a sidebar with project navigation. The main area has three columns: 'New', 'In Progress', and 'Completed'. The 'In Progress' column contains two tasks: 'test' and 'je l radi ovo'. Each task has a small info box with details like category and due date. At the bottom, a message says 'Task status updated successfully.'

3. Klikom na dugme “Add Column” otvara se forma za dodavanje novog statusa za taskove, odnosno nove kolone kanban-a.

The screenshot shows the same Kanban board as before, but with a modal dialog box overlaid. The dialog is titled 'Add Task Status' and has a text input field labeled 'Status name' with the placeholder 'Task status name...'. Below the input field is a 'Save' button. The background of the application is dimmed to indicate the dialog is active.

## Pregled detalja o tasku

1. U aplikaciji navigirati do “Tasks” stranice unutar projekta.

The screenshot shows a project management application interface. On the left, there's a sidebar with navigation links: Dashboard, Projects, Members, test projekat, Overview, Assignees, Tasks (which is selected and highlighted in grey), Gantt, Kanban, and Analytics. The main content area has a header with 'Search Tasks' and filters for 'Status' (All Statuses) and 'Priority' (All Priorities). A blue button 'Add new task' is at the top right. Below is a table with columns: CATEGORY, TASK, STARTING DATE, DUE DATE, STATUS, PRIORITY, and ACTIONS. Two tasks are listed: 'Uncategorized' task 'test' and 'Uncategorized' task 'je l radi ovo'. At the bottom, there are pagination controls for 'Items per page' (5) and '1 - 2 of 2'. A small AI assistant chat window is visible at the bottom right.

2. Klikom na ime taska, ili na dugme u koloni "Actions" otvara se forma za prikaz detalja o tasku.

The screenshot shows a detailed view of a task named 'test' within the 'test projekat' project. The form is divided into sections: Overview, Assignees, Dependencies, Files, and Comments. The Overview section contains fields for Task name (set to 'test'), Task description (with placeholder text about testing functionality), and a Save button. To the right, there are fields for Start date (6/9/2024), Deadline (6/10/2024), Task status (In Progress), Task priority (High), and Task category. A sidebar on the right also features an 'Add new task' button. The overall layout is clean with a light grey background and blue accents for buttons and links.

## Upravljanje globalnim ulogama

1. Na sajtu je potrebno na Projects stranicu i kliknuti na dugme "Manage Roles". Ako korisnikova uloga nema permisiju za upravljanje rolova, dugme će biti diseblovano.

The screenshot shows a user interface for managing team members. At the top, there are navigation links for Dashboard, Projects, and Members. On the far right, there are icons for notifications and a user profile. Below the navigation, there is a search bar, filter options for roles and statuses, and buttons for 'Manage Roles' (which is highlighted with a red box) and 'Add Member'. The main area displays a table of member details, including their name, role, email, status, date added, and actions. The table has columns for AVATAR, NAME, ROLE, EMAIL, STATUS, DATE ADDED, and ACTIONS. The data in the table is as follows:

AVATAR	NAME	ROLE	EMAIL	STATUS	DATE ADDED	ACTIONS
	Logic Tenacity	Administrator	admin@logictenacity.com	Online	23-05-2024	
	Pera Peric	Project Manager	pera@gmail.com	Online	23-05-2024
